In reply to the Office Action mailed November 19, 2002, the period for response being extended to May 19, 2003 by the attached Petition for Extension of Time, please amend the above-identified application as follows:

IN THE CLAIMS:

Please amend the claims as follows. A copy of the marked-up original claims is attached to this Response showing the changes, as required by amended 37 C.F.R. §1.121.

7. (Thrice Amended) A camera apparatus comprising:

an imaging device:

means for detecting the movement of an object on the basis of an output of the

imaging device;

exposure determination means for determining the exposure; and

exposure correction means for making exposure correction to the exposure

determined by the exposure determination means on the basis of the detected
